Subject line: Vision Maker Media Feedback Request

Dear Vision Maker Media project participant,

We hope you found your experience with your project empowering and impactful. As you know, much of our funding comes from donors who understand the importance of Native stories and the public conversations they generate. Please participate in this short, 5-minute survey so that we can assess your experience and continue to improve the film-making experiences of others.

If you lead workshops or classes for others, please have your students fill out the survey by sharing the link with them. (Provide a QR code for phones.)

Sincerely,
Vision Maker Media

(Surveys are below for both CSF and NYM)
